

Styles to be used across this site (font size,style,colour,screen width):

Font family: Arial,Helvetica,sans serif

Main heading: H1, Goudy Old Style #026633

Subheadings: H3,Arial,#02361C

Main text content: Paragraph,Arial,Justified

Production notes (background colour,background image,link colours:

Page width: 850px

Link colour: #003300

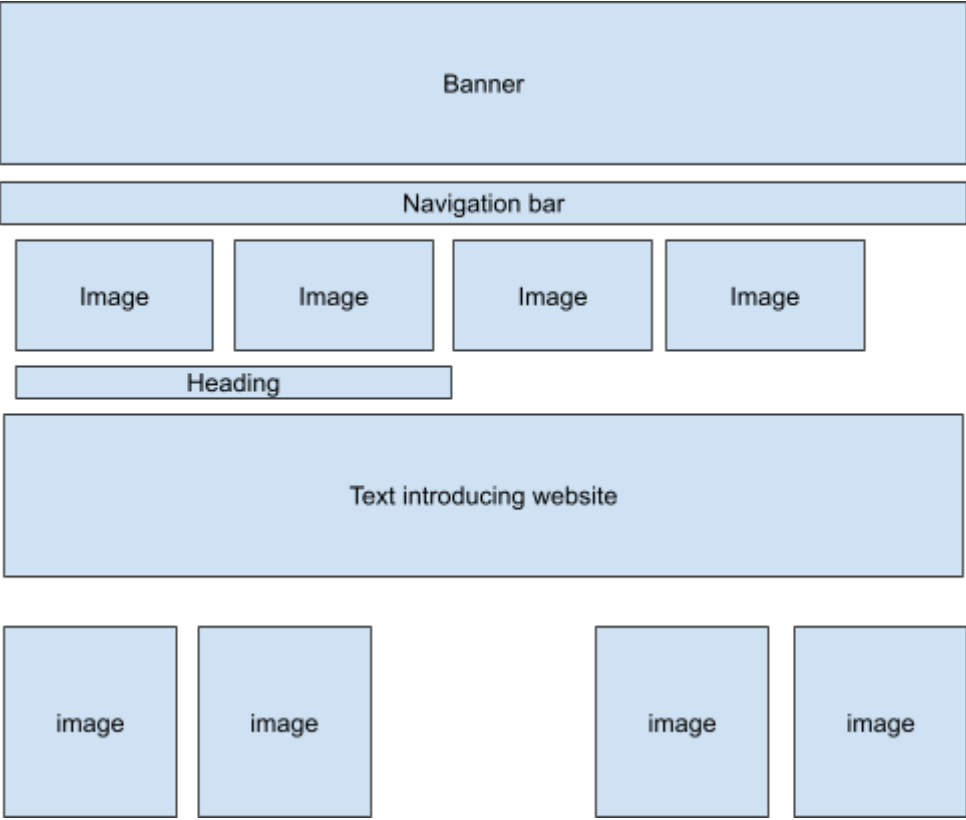

Visited/active link: #02361c

Link hover: #026633

Description of how colour schemes and pages styles will be applied consistently across all of the web pages:

A master page will be developed and then I will create the other pages from that so the website will keep the same colour schemes, styles throughout and that will keep the website looking consistent.

Alternative solutions for this page
change the image layout. I kept the image layout the same to keep the pages looking consistent and the same throughout.

File name:	simplans.htm	Page Title:	Sim plans
Page Purpose:	To give information on sim plans for the various phones on the website I have created.		

Storyboard	Files/Assets Used on this page
 The storyboard diagram illustrates the layout of the 'Sim plans' page. It consists of the following elements from top to bottom: a wide Banner; a horizontal Navigation bar; a single-line Heading; four square Image placeholders arranged in a row; a large rectangular Text block; and a rectangular Table at the bottom left.	• index.htm • samsung.htm • apple.htm • google.htm • huawei.htm • simplans.htm • accessories.htm • services.htm • banner.jpg • image.png • image.png • image.png • image.png

Alternative solutions for this page
Putting the navigation bar above the banner. I didn't do this because I wanted to keep the layout of the website looking the same, keeping it consistent.

File name:	accessories.htm	Page Title:	Accessories
Page Purpose:	To give information on the various accessories available for the mobile phones on my website.		

Storyboard	Files/Assets Used on this page
 The storyboard diagram illustrates the layout of the accessories page. It consists of the following elements from top to bottom: a wide Banner, a horizontal Navigation bar, a short Heading, four square Image placeholders arranged in a row, a large rectangular Text block, and a rectangular Video placeholder at the bottom.	• index.htm • samsung.htm • apple.htm • google.htm • huawei.htm • simplans.htm • accessories.htm • services.htm • banner.jpg • image.png • image.png • image.png • image.png
	Interactivity on this page A video showing the different accessories compatible for use on all different mobile phone brands.

Alternative solutions for this page

File name:	services.htm	Page Title:	Services
Page Purpose:	To give information on services on mobile phones		

Storyboard	Files/Assets Used on this page
 The storyboard diagram illustrates the layout of the Services page. It consists of the following elements from top to bottom: a wide Banner; a horizontal Navigation bar; a Heading; four square Image placeholders arranged in a row; a large rectangular Text block; a Form; and a Link to online forum button.	• index.htm • samsung.htm • apple.htm • google.htm • huawei.htm • simplans.htm • accesories.htm • services.htm • banner.jpg • image.png • image.png • image.png • image.png
	Interactivity on this page

	Feedback form will improve usability by allowing someone who visits the site the chance to interact with the website through the feedback form. Also this improves accessibility by allowing someone access to a form to interact with on the website. This also improves presentation by allowing someone to visit the site regularly and have direct access to the feedback form.
